    - Tooling gelcoat
    - MVR
    - Norsodyne
    - M-625
    - Methyl Ethyl Ketone Peroxide (catalyst for all above resins)
    - Polyester Fairing Compound
  - Polyurethane and Urethane
    - Smooth Cast 300
    - Task 7
    - Crystal Clear 200
    - Crystal Clear 202
    - Epoxy
    - Rhino 3138
    - West System 105 and 205
    - Polygem (307FR Lite Sculpting)
    - Habitat
    - Feather Lite joint compound
    - Automotive paint
  - Silicone
    - Platinum / Tin / Urethane / Polysulfide
    - Sil-poxy / Psycho Paint
    - Additives:
      - Thi-vex / Slo-Jo / Ure-Bond II / Slide STD / Kick it / Slacker / So strong
- Body Filler
  - Bondo
  - Rage Ultra
  - Automotive
  - Duraglass
- Mold Release
  - TR 104 Mold release wax High temp
  - Partal paste
  - PVA
  - Mann EZ 200

## Mold making Knowledge

- Wrote a 27 paged mold making guide - inquire for more
- Construct carcasses and support systems (mold walls and structures)
- Multi part mold construction
  - Matrix / Void tools / Hybrid
  - Determine where molds should be split and sectioned off (keys and pry points as well)
- Hand lay up molds or defer to machines
  - Fiberglass molds / Silicone Molds / Hybrid mold construction (silicone and fiberglass, etc)

## Body working Knowledge

- Repairing damage to post production parts
  - Locate damage - abraid/scuff - patch - sand/sculpt - sand low grit to high - polish - buff (bringing rough finish up to photo finish)
- Blending seams of multi medium constructs (bondo to fiberglass, etc)
- Bodyworking compounds
  - Featherlite / Bondo / Rage / Duraglass

## Painting Knowledge

- Ladder / Lift work
- Repairing damage to post production parts
  - Locate damage - abraid/scuff - patch - sand/sculpt - sand low grit to high - prime - sand for high spots - base coat - 2nd coat - sealant - polish - buff - polish (bringing rough finish up to photo finish)
- Cup gun Spraying/ Airbrush Spraying
  - Water Based / Latex Based / Silicone Based / Automotive / Mathews / etc.
- Faux Finish
  - Brick / Stone / Marble / Rust / Aging / Wood Grain
- Color Matching
  - Matte / Gloss / Metallics
- Speciality
  - Metal Effects / Black Light / Jacksand

## Previous Projects
